

Soft drop shape seat, internal load-bearing structure in particle board panel with low formaldehyde emission (Class E1), fixed feet in black PVC, padding in high-density polyurethane foam. 10 mm (optionally fireproof CAT 11M), leatherette upholstery (optionally Class 1 fireproof) available in six colors.

Combined with other elements, it allows infinite seating configurations with side continuity and to internally follow the curve of the shaped furniture.

All fittings are designed for correct use and with a high degree of strength.

Accessories are designed to ensure the safety of the pupils and prevent the manipulation by children.
